LETTER OF COMPLIANCE

Subject: Amherst - Public Water System: Amherst Country Club (EPA #0077030)

Dear Mr. Warren:

As a result of the submission of proof that proper nitrate samples were collected in 2001, the NH Department of Environmental Services (DES) has determined that the violation identified in the Letter of Deficiency WSEB #02-17, dated April 17, 2002, has been corrected. DES appreciates your cooperation in resolving the matter.

Please continue to submit water samples according to your chemical monitoring schedule.

If you have any questions concerning this letter, please contact me at (603) 271-2854 or by e-mail at aleach@des.state.nh.us.

Sincerely,

COPY
